1. Manager's Message

Hello and welcome to [redseason](http://www.redseason.com)'s February 2018 Newsletter!

February has begun in earnest and before we know it, March will be on the horizon! If it wasn't for February's special days, it could seem like a "limbo" month...just waiting for it to get over so March could bring in Spring and more daylight hours and daffodils and cherry blossoms! But, February has some fun days, with Valentine's Day and the long President's Day weekend...so February, though still cold and wintry, still has some luster to it! :)

February is also a great month to purchase a membership, either your first one or one to combine with your existing membership! Because it will take WorldMark approximately 3 months to finalize a purchase from beginning to completion, if started in February it would be completed sometime in May...still in time to schedule some fun getaways for the summer months! If you'll visit our website (www.redseason.com), you'll see we have some great memberships in our inventory and several with lots of banked credits. Those definitely come with lots of vacationing potential!

Have an awesome February, folks, because we know March will be here before we know it!

6. Vacation Highlights - Seaside, OR in January!

If you are thinking January is an awful month to visit Seaside, Oregon, then I have great news for you! I was just there with my mom and sister for an amazingly fun gals' getaway! We literally threw the trip together in just a few weeks and I was easily able to find accommodation there at basically the last minute. I ended up using credits, but could also have used cash! We decided on "roughing it" with a 2-bedroom queen, with one of us sleeping on the Murphy bed, which is really a great sleep if you've never tried it! One of the best things about the Seaside WorldMark resort is its location...it's right on the beach, literally, and right on Broadway with all its shops and restaurants and pubs within an easy walking distance! In between raindrops, we would amble out to the beach and walk down to the surf and the roar of the waves, but also it was a nice stroll with our hoods on or umbrellas in hand to walk down Broadway for some shopping. Actually, however, we only had one day of rain and the following days we had dry afternoons which were a delightful surprise! Once we parked our car on our arrival day, we were able to walk everywhere and didn't even take it out again until we departed! My sister is a hot tub lover and spent a few hours every evening soaking up the heat and visiting with the other nice folks there...the resort provides lockers nearby to keep your things dry, so no one seemed to care if a little rainstorm came through!

So, don't think Seaside is too dreary in January or any of the winter months...just go and you'll love it!

7. Editorial - Annual Credit Transfer Limit

Something owners may not know is that there is a limit of transferring extra credits into your account. Based off your anniversary month, you can transfer up to twice your annual credits per year.

So if you have a 6,000 credit membership, you could transfer an extra 12,000 credits per year into your account. There was some confusion on if this was based on a calendar year or the year of your anniversary. It is based off your anniversary.

Happy Vacationing!

- Matt
