1. Manager's Message

Hello and welcome to [redseason's](http://www.redseason.com) June 2018 Newsletter!

This month, I wanted to mention the subject of "positioning" to all you amazing folks out there to keep in mind because we, here at redseason, want YOU to have the best vacations EVER! To assist you in this, we wanted to get you thinking ahead to your vacationing needs well before you will be needing more credits or even becoming a new owner. Due to WorldMark needing/taking 3 months to complete a transfer (via the secondary market), if we didn't begin a sale/transfer until now, then summer is basically over by the time it's completed and that doesn't help you for this year's summer vacationing needs! However, even though it's too late to think about adding to this summer's plans, what about your end-of-year plans? Many people enjoy using their WorldMark credits for family holiday stays over Thanksgiving or Christmas....or are considering Fall get-aways when school is back in session and crowds are more manageable!

Starting a transfer now would ensure great vacationing later in the year and then you're also already positioned for next summer's planning. If we began a transfer in the month of June, it would be completed in September and you'd have immediate access to any available credits within the new membership at that time...in plenty of time to plan some great Fall fun!

We always like our clients to have the best information, so they can better plan their vacationing dreams! Let us know if we can assist in any way and have an amazing June! Hope you have sunny skies and swimming weather soon!

3. Did You Know...?

Do you know that when you purchase a membership through the secondary market (such as from redseason) that you are saving **literally tens of thousands of dollars** over purchasing directly from the Developer? There are just a few things to keep in mind, however. Once a secondary market purchase is transferred into the new Buyer's name, WorldMark will ensure that membership becomes Premium Only. Even if that membership had TravelShare credits beforehand, upon transfer completion, the Travel-Share eligibility is removed.

This is really not an issue, however, unless it's critical to a Buyer to reach one of WorldMark's Elite Status tiers. If that is vital, then the Buyer MUST purchase TravelShare credits directly from the Developer, at their cost. Secondary market credits will not help a Buyer reach the next tier and will not have TravelShare eligibility. However, if you already have TS credits and purchased secondary WorldMark Only (Premium) credits to combine into yours, then WorldMark does have a way of keeping track of which of your credits are TS and which are WM Only...so it's no problem to purchase secondary market credits! :)

You can use your WM Only credits at any/all current and future WorldMark resorts within the U.S., and a few in Mexico, Canada, Fiji, etc. (all the RED dot resorts on the Resort Gallery map on www.worldmarktheclub.com). You can also deposit your WM Only credits into RCI, II, etc. to get into a broader network. Many of our buyers LOVE the idea of the "value" of saving tens of thousands of dollars by purchasing via the secondary market....and we do too! :)

Please don't hesitate to send us any/all questions you might have...e-mail us at info@redseason.com!
